PERVERTED MINDS

Minds On Sex, Filth, Ungodly Even Preachers

No wonder the world's polluted. Their whole mind's on sex, and filth, and ungodly things; even preachers do it. Amen. It's a disgrace.

Mark Of Christ 55-0312

There's Too Many Things On People's Minds

But what it is, we're living in the day when we got the best doctors we ever had, the best hospitals we ever had, the best medicine we ever practiced with, and got more sickness than the world ever known. Because we got more sin and unbelief than the world ever knowed. We got too many things that's got people's mind all tore up. "Is this right? Is this right?" And the poor people don't know what to do. And that's the reason that--that sin and violence set in.

Jesus Christ The Same 55-0806

Desire Of Man Is Continually Evil

Married life is--is--is of God. The Bible said that married life is of God; the bed is undefiled. But prostitution and illegal that's perverted. And look at the whole mind of American people, and the peoples of the world is gradually becoming so perverted till it's just become... Even the radio, and television, it's all one big conglomeration of sin, because the hearts of man call for that. Every intention of a man's heart, just like it was before the antediluvian destruction, every--every desire of man is becoming continually evil.

God's Covenant With Abraham 56-0223

End Time Perversion

Look at perversion, homosexuals. Picked up a paper last week when I was in Los Angeles, the Christian Businessmen's meeting where I was their speaker; and homosexual is on the increase forty percent over last year. Boys, man living with one another, living in hotel rooms, Perversion. The natural course of life being perverted, because women has belittled themselves and becomes so common, it's perverted man, perverted minds: women living with women, man living with man. Just what God said would take place. "As it was in the days of Sodom, so shall it be in the coming of the Son of man."

Be Certain Of God 59-0708E

What You Read & Listen To Will Reveal Your Mind

Two or three weeks ago, I was crossing the western states, and I was looking along, as driving by myself, going to meet the Christian Business Men up in Idaho, and I was amazed as I watched the billboards, the advertisements. You can almost look around and see what's on people's mind and what's on their heart. As I've often said. "Let me go into a person's house, and let's see what kind of music they listen to; let me see what kind of books they read, and what kind of songs they sing; what kind of pictures they have in their house; I can just about tell you what the nature of that person is.

Condemnation By Representation 60-1113

The Whole World Is Contaminated

And we are all born in sin and shaped in iniquity, there's not a sound parcel of us. Our minds are bad, our soul is corruptible, our constant thinking is evil, every imaginary thought of a man's mind is evil, a sinner, and also that our body is weak, our spirit is no good, and we're just full of corruption.

... The whole world is contaminated. And the whole soul, mind and body of man is contaminated with sin. He's born in sin, physically, shaped in iniquity, and come to the world speaking lies, so that his own soul is contaminated. Nothing good!

You must be born again 61-1231M

Television Has Corrupted The Minds Of The People

It's too bad that the things of the world has so captured the church in these days. And Satan had a rude way of doing it, to bring in the televisions right into the homes, and things, and corrupting the minds of the people, and till today that--that a great percent of the church that call themselves Christians will stay home from prayer meeting on a Wednesday night to get to see some favorite program of somebody from Hollywood, or somewhere, that oughtn't to even be put out on the screen, maybe living with three or four husbands, or wives, and carrying on, and living all kinds of lives, go out on drunk parties, and smoking, and lying, and everything that can be done that's wrong.

We Would See Jesus 62-0727

Minds On Big Things

We need a turning up-side-down, a shaking out, a lot of the world and things out of the church, that's come in in these last days. Money is

scattering out through the country, and big things, that's got the people's minds on big things instead of on God.

There Is A Sodom Law To Protect Her

The women are becoming so, they don't realize what they're doing; an evil spirit upon them. Why would a woman take her clothes off like that to expose herself? She don't mean to be bad, they--they, they're just caught in that trap, and they don't know it. See, just like it was back there in that time. Female flesh being displayed everywhere, see, very attractive, runs the sons of God right out of their mind, nearly, and then a Sodom and Gomorrah law to protect her from it. What a disgrace, and our government standing for such stuff as that!

Only One Way Provided By God 63-0731

THE BATTLE OF THE MIND

Human Mind Chosen For The Place Of Battle

Now, don't get--miss this. When this great battle started on earth, there had to be a mutual meeting place; there had to be a place selected for the battle to begin, and for the battle to rage; and that battlegrounds begin in the human mind. There's where the battle starts. The human mind was chosen for the place of the battle, where it was to begin; and that is, because that decisions are made from the mind, the head.

Now, they never started it from some organization; they never started it from some mechanical affair; the grounds never started there; therefore, that organization can never, never do the work of God, because the battlegrounds, where you've got to meet your enemy, is in the mind. You've got to make your choice. It meets you.

... Decisions are made in the mind, the head. There's where Satan meets you. And the decisions are, because that God made a man that way.

Greatest Battle Ever Fought 62-0311

Mind Is The Gateway

Your battleground is back here at the beginning, back here in the soul, back in your mind, that opens. The--the mind is the gate to the soul, the--the gate to the spirit, rather. Your mind opens up and accepts the Spirit or it rejects the Spirit.

Greatest Battle Ever Fought 62-0311

Has To Come In Your Mind First

Then what does he do? He begins to use the conscience. He begins to use this, begin to use this outlet. What is it? See, taste, feel, smell, hear, imaginations, conscience, memory, reasons, affections; he begin to use all those different little channels, as long as he could get in above this one here. He's got to come in your mind first, and you have to accept it.

Greatest Battle Ever Fought 62-0311

Spiritual Adultery

That's how adultery--that's how adultery is committed spiritually. When you, knowing better by the Word of God, by the intercourse of the mind, take in a lie of the devil against the Word of God: that's exactly what Eve done. With a spiritual intercourse first that come by believing Satan's lie into the womb of her mind, that polluted her soul, set death in the soul; then the natural act taken place.

...Did not Jesus say, "Whosoever looketh upon a woman has committed adultery with her already in his heart--looketh upon a woman to lust after her has committed adultery with her already"? Why? He let it come into his mind. That's the womb; it starts the things moving.

Your Mind Is Reasonings

Many people come to me, many times in the prayer line, and stand there, and say, "Oh, Brother Branham, I have plenty faith. I've got faith like to move mountains." And, yet, they haven't any faith. They hardly have enough faith to get to the platform. But they are conscious of one thing, that they do believe. They are believing intellectually with their mind. And their mind will never bring them to God. Your mind is reasonings. And God has no reasonings.

Uncertain Sound 55-0731

No Two Minds Is Exactly The Same

These little organizations, I think God's been in it, the whole thing. But people... `cause we're different. Each man sees different, each person sees different, no two minds is exactly the same. No two people is perfectly the same, they claim; no two noses, no two thumb-prints. See, we're made different, that way we should have different groups.

THINGS ON OUR MIND

Never Permit A Negative Thought Come In Your Mind

Let your--your testimony always and your thoughts, everything... Never permit a negative thought to come in your mind if you can help it. When it starts that, don't entertain it. Well, you say, "I can't help the thoughts from coming." Well, that'll be like the farmer that said he couldn't stop--he couldn't stop the birds from flying over his place, but he could sure stop them from roosting." So that's a--that's a good thing. You see? You can't help the thoughts when they come, but don't--don't--don't entertain them; just pass it on.

We've Got Everything Else On Our Mind

You see, the trouble today, we got so much money and stuff on our mind, God can't have a place to get in our thinking. We want to go downtown, shop for new dresses, or new hats, or something another; and we got to see Suzy and John. We're going to play cards tonight; we can't go to church tonight, because "We Love Susie" on, or something like that, the television programs. We got everything else on our mind.

Blind Bartimaeus 60-0330

The Man Of God Gets His Mind All Tore Up

They meet the people, and there is bound to be a want for this and a want for that. And then the man of God gets his mind all tore up, and he is so tore up when he goes to his room. He begins to study, "Now if I don't do this, this man will feel bad about it. And this don't do this, this man will feel bad about it." And then when he walks out to the platform, he hardly knows where he is standing; his mind is all tore up, when he ought to have spent that time with God. They're not social leaders. A man of God should be dedicated wholly to the service of God. And we find that that's too--too bad that we'd have it.

Don't Let Your Mind Go Blank

You know, I heard... someone was in that meeting here some time ago. Someone said, "Just let your mind go blank now. Just look right straight up towards the skies. Let your mind go blank, you'll get an experience." No doubt but what you do! That's right.

But... you get an experience, but what an experience. You see, when you do that, you just open your soul to Satan. He'll give you something, that's true. But I think a person coming to Christ should come with all the intelligence they got, and quoting in their mind when they come to Him every promise in the Scripture. Keep your mind alert, when you come to Christ. Don't let it go blank. The devil will make you do anything. See? They'll give you a sensation. He can do that too. But you want an experience-- something that the Bible teaches, something that's real.

Find His Mind By Losing Your Own Mind

Church, I'm not beside myself. I may be mad, as I said last night, but I--I feel good this way. I never did feel this way the other way, so I--I'd just like to stay this way. Yes, sir. I did lose my mind; I had to, to find the mind of Christ. Every other believer has to, that's right, has to find the mind of Christ, by losing our own mind.

A CARNAL MIND

Romans 8: 6, 7

For to be carnally minded is death; but to be spiritually minded is life and peace.

Because the carnal mind is enmity against God; for it is not subject to the law of God, neither indeed can be.

I Corinthians 3: 3

For ye are yet carnal: for whereas there is among you envying, and strife, and divisions, are ye not carnal, and walk as men?

You Got Your Mind On The Wrong Things

Isn't that just the modern Christian today? Oh, let the healing take place, and they're shouting the victory. Let the power of the Holy Spirit fall, and they're shouting the victory. And those who are really filled with the Holy Ghost, remains that way down through life's journey. But the man that's still walking with the carnal mind, let a little discouragement come up, something go wrong, and they go away, saying, "Well, I thought it was all right, but, oh, my, look at it now. I thought that little church would never fail. I thought this person..." You got your mind on the wrong thing. See? Put your mind on Him that can't fail. Let your conversation not be about your church, but about your Lord. That's the One. Not about your neighbor, but about your Lord, let your conversations be of Him.

You Cannot Know God By Your Mind

Now, notice close now. I want you pay close attention. Put a lie detector on you, and you try to impersonate the--that truth, and try to say that it's truth, but down on the inside of you, in the subconscious, lays a place called the soul. And this intellectual mind does not govern that vibration of the system. The mind is only a director. It will direct you, and it's very incapable of bringing you to God: your mind. You cannot know God by your mind, intellectual. It's one of the resources, or the channels that would lead to it, but your soul is what governs you. You are what you are, by your soul.

SATAN WORKING ON THE MIND

Satan Almost Co-Equal

But God putting Satan almost co-equal with Him, Satan taking the things of God and perverted them into the evil thoughts, and through there began to pervert things into evil instead of good.

God's Servant Job 55-0223

God Chose The Heart

See that same Devil, if he can get you to stop just for a minute, he can make you reason it out. He can make you think with your mind. But God doesn't use a man's head. God uses his heart. God works on his heart while the Devil works on his head. God chose the heart. The Bible says, "As a man thinketh in his heart, so is he."

The Devil Putting Things In Your Mind

And by the way, you, you're facing a nervous breakdown. Get away from it. Flee for your life. Run quickly. Lay the things that's in the past in the past, and look to God. You're a minister of the Gospel. You, I talked to you this morning. You didn't know what it was, and I didn't know what it was, but I see it now. You are coming to a breakdown. The devil is putting everything in your mind, trying to get you to turn against, even against me. That's right. That's THUS SAITH THE LORD. Forget it. Tell him he's a liar. Accept it right now, and that will leave you and it'll never come back again. You'll be a free man.

But, you see, today we become so negative. It's the Devil getting us through there. It's painted candy sticks, and a--and a reindeer, and a--and a whiskered man that flies through the air like an airplane, and visits the whole world and every home with a little bundle of toys on his back, and visits every child. And it--it's just a lie. It's just right out a lie. See? Now. See? But why? The Devil did that so he could twist the minds of the people.

Of course, the time of life that you're living in is one thing, if you understand what I'm speaking of; it has got you all, very much upset. You know what I speak of, the menopause. It's made you extremely that way. Satan lies to you. Satan Works With Your Understanding

But when the promise drew nigh, they thought, surely, that they would understand. But the people of God... Usually Satan works right in there with their understanding, and makes them dull of understanding. And there they miss God nine times out of ten. But God had His promise there. Now, then when Moses went down to deliver them, why, they--they refused him, rejected him. And it cost them forty years more suffering.

Don't Think That You Are Hopeless

Don't think, setting there in a wheelchair, you, that you're hopeless, helpless. You're not. Don't let that negative thought ever pass through. Don't let it anchor. You can't help from going through your mind (That's right.), but don't let it stop.

Like the old farmer said, "I can't keep the birds from flying over my place." But he had a double-barreled shotgun, said, "I can sure keep them from roosting." So you do the same thing, and you too. See? Don't let them roost. Let them pass right on through.

Now, here's the shotgun to use. Both New and Old Testament's a double barrel, very good too. I'll tell you, It keeps them all away.

Your Spirit Can Still Reason

If you're asleep or you're out; your body's lying there dead, but your spirit can still reason; there's five senses that controls that inside man.

Knoweth It Not 65-0815

That's Where You Live

Now, the outside body has five inlets to it to contact your earthly home: see, taste, feel, smell, and hear. The inside, which is a spirit, it has five senses: conscience, and love, and so forth. But the inside of that, the soul, has one thing. That's where you live.

Here's the inside soul, in here, that has to come from God. But then on the outside you have five senses, and five out--inlets to your contact your earthly home. The inside, you have a spirit, and in there you have five outlets: your conscience, and love, and so forth, five outlets to that spirit. Remember, in that spirit you can be baptized with the genuine Spirit of God and still be lost. It's the soul that lives; that was ordained of God.

There is some things about a colored man that a white man don't even possess them traits. A white man is always stewing and worrying; a colored man is satisfied in the state he is in, so they don't need those things.

Lord Just Once More 63-0628M

Frankly, there's a lot about the colored race that the white race ought to have. They don't have the worry; they're more spiritual. There's a thousand things about them that the white man can't even touch. God made them thus.

Third Exodus 63-0630M

And just come on because of worry, and up-and-down, and so forth. God, grant her a home in glory when she comes there. And He will. He will. I'm satisfied of that. There Is No Value In Worry

Sin is death. And sickness follows sin. Worry, follows sin. Did you ever notice what a horrible thing worry is? There's not one value in it at all.

I was speaking here some time ago to a group of--of--of men at a club in a city. And I said, "There's not one value... If you was going to be killed in the morning," I said, "worry would not help you one bit."

I seen one man kinda look down and kinda laugh, and he said, "Well, what would faith do?" I said, "Sign your pardon."

That's right. Worry, there's no value in it. Faith... So just get away from worry and have faith.

He Broke The Veil Of Depressed

The Bible said, "He ascended on high and give gifts unto men." There was a atmosphere hung over the earth of darkness, of gloom, of death, and weary. The prayers couldn't come up, because the atonement wasn't made, but He broke through that veil. He opened up the way. He broke the veil of sickness. He broke the veil of sin. He broke the veil of worry. He broke the veil of depressed.

A MENTAL BATTLE***A Man Mentally Right Won't Mistreat His Wife***

But the Bible said... God said in the creation, "You shall rule over you." Not to be a boss, but to be a helpmate, part of you. She's sweet, and kind, and tender; you should lead her around sweetly, because she's part of you. You go to mistreating her, then you're mistreating yourself. And a man mentally right won't do that. All right.

Works On You When You Get Tired

You're worrying about something. You're bothered, upset. And it's not--it's nervous for one thing. You're real nervous, aren't you? kind of a mental nervousness, kinda causing you to--oh, have all kinds of funny feelings and so forth. Isn't that true? Then that mainly works on you in the afternoon, along late in the evening when you get tired and run down. And you... That has caused a trouble.

Because You Are A Deep Thinker

How do you do, sister? You believe with all your heart? You do. Now, you're a very nervous person. See? Not in a nervous of shaking and jumping. But what you're nervous at, it's a mental nervousness, because you are a deep thinker. You're always thinking and taking other people's troubles.

Crossing Bridges Before You Get To It

Come, lady. You believe Him as you come? Will you obey me as God's

prophet, do what I tell you to do? Now look, you been nervous for some time. It's--it's not a--it's--it's a mental nervousness, that you're always--you're trying to be deeply sincere, take other people's thoughts to yourself, and things like that. In other words, you cross bridges before you get to it. In that is created to you an ulcer condition in your stomach. You got a stomach trouble. You can't eat right.

Divine Healing 54-0620E

The only thing, sir, you think deep; you cross bridges before you get to them, taking other things upon your heart; and you're always planning something that never happens. It's only mentally, nervous. It's a mental nervousness. That is right. You've been that way for years, but Jesus Christ is here to take it off of you.

Intellectual Mind

So just polishing, and joining church, and--and reading a whole lot, and knowing a lot of books, and authors, and so forth, doesn't mean that you're converted. Because you have an intellectual mind that makes you have a mental conception that there is a God somewhere, still, you're not a Christian yet, until, actually, you become personal in contact with Christ that changes your heart and nature.

Two Elements Soul And Mind

Now, there is two elements, just for a few moments on this subject. There's two elements that make up the human being. And one of them is your mind, and the other is your soul. And the mind is your mental thinking, your intellectual. And your soul is a part of God that's in you.

They've joined church. Some of them has come in because of some mental emotion. Others has come in because of a intellectual conception of the Word. They heard it, and they believed it in their head. But never has it ever went into the heart to produce that real love.

Mental Faith Becomes Spiritual Revelation

And the biggest part of our faith is mental faith. By hearing the Word we-

-brings us to a mental recognition of God. But if this coming from above, oh brother, if it ever strikes this, there is a godly, spiritual faith. Then what does that faith do? That faith recognizes only the Word. No matter what anything else says, it only recognizes the Word, because, "In the beginning was the Word, and the Word was with God, and the Word was God. (And the Word's still God.) And the Word was made flesh, and dwelled among us," ... and when the word Itself is pouring into our faith, our mental faith becomes a spiritual revelation...

The Right Mental Attitude

That's true. See, the mental attitude you take towards it will bring... Now the mind won't do it, but if you give that attitude towards something's got life in it, then that life comes down and does it. Not your mental attitude that only brings you in the Presence of Him. That's what you do.

HAVING YOUR RIGHT MIND

Luke 8:35

Then they went out to see what was done; and came to Jesus, and found the man, out of whom the devils were departed, sitting at the feet of Jesus, clothed, and in his right mind: and they were afraid.

II Timothy 1:7

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

No Man Is In His Right Mind Until He Finds Jesus Christ

And somebody says religion runs you crazy. Why, it's the only thing in the world that'll give you your right mind. That's right. Jesus never set anyone crazy; He set the crazy people at liberty and give them their right mind. That's what the--the power of God has always did: to liberate the maniacs and so forth, and put them in their right mind. And no man is perfectly in his right mind until he's found Jesus Christ in his life. He's--he isn't. Now, that's bad, but that's the truth; we must face facts.

Why I Am A Holy Roller 53-0830A

Christ Comes In Your Mind

When Christ comes into the heart, then He comes into the mouth, then He comes into the eyes, and He comes into the mind.

He comes into the mouth. He makes you talk different. You don't talk like you used to. Christ got in your mouth. Done grewed now from your heart, your love you had for Him, till you can bridle your tongue. Brother, that's a great thing. Then the next thing you know, it grows into your eyes. The next thing you know, you find out, that old lustful things you used to look at, you'll turn your head. You're growing.

Then the first thing you know, you still turn your head, but you're thinking. See? After while, it grows into your mind; you don't even think about it no more. Then you're just a great big boy then. You're coming into a full matured man living for the Lord. So then you are in Christ then, a new creature.

I Am A Calvinistic Thinker

Now, the one reason that I am a Calvinistic thinker, of security of the believer, is because that, I believe, that when a man or a woman is in their right mind, that is the time to accept the Lord Jesus. And get it all settled then, once for ever. Because, when we come to the end of the road, we don't know just where and how we're going to be sick. We may be sick in our mind, there might be a fever that would really cook our very brain, and we might say anything or do anything at the end of the road. We don't know. But, you see, if we have already anchored in Christ, no matter what sickness takes us, or what condition we are when we go, it's already settled.

Spiritual Minds Is One Step Away From Insanity

Let me tell you something. Real spiritual minds is one step from insanity. Did you know that? A scientific research will tell you that. Here you are down here slow and slumpy; and then you come up a little more spiritual, then you're about like this; then you go to like a dull axe; and then to a honed razor. Now you know which side you would fall on there. If a man tries to lift himself up there, he is sure to go on the wrong side. If God lifts him up there, he is far above the average person. There is where visions and things break through. There is where the Kingdom of God is. Poets, prophets, and all were considered neurotics.

THE INSANE AGE

*Insane - Mentally deranged or unsound; Crazy.
Any mental disorder characterized by temporary
or permanent irrational deviations from normal thinking. (Webster)*

Insanity Is On The Move

What is it? It's neurotics; it's mentally. And the doctors claim that nine out of every ten Americans is suffering with mental deficiency. Even the psychiatrists that's supposed to be mental interpreters, they are going wild and insane. They're hooking them by the great cuffs in the insane institution. Insanity is on the move.

Education Is At The End

Education is at the end. Juvenile delinquency is at the end. Children, there ain't no hopes for children, they done gone insane. You can't have no education. You can't go down here at the school and have, get a kid with education. He's a--he's a twofold child more of hell when he comes out than he is when he goes in. Let the teacher say something about it, he'll get killed, they'll form a little cluck and go out there and shoot the teacher, take him out and string him up. We lost two thousand teachers. Oh, wait a minute, I believe, twenty thousand teachers, this last year. I don't blame them. I wouldn't want to do it either. Now, they got signs up every time, "Give college education to these kids." They do need it, but the Devil's got them. The Devil's got them. And it's not only just normal to go out and be mean and--and--and take a gate off and hang it up in a tree on Halloween night, or do some little meanness like kids used to do, or take a farmer's buggy and set it out in the road, not like that; but they're insane. They do things that's insanity; shoot you, kill you, and murder you, poison you, anything. That's the next generation.

The World Will Be Completely Insane

Look at all the televisions and things getting these fictitious things in order. It'll come a time, I predict, that people will be completely, totally insane, the world will be. The Bible speaks of such hideous sights as they show in movies today of some prehistoric creature's age, that's lived in the earth for so many thousands and millions of years, hatch and come forth to some... That's just a minor thing, to what's going to happen. When hell is opened and the Devil comes out with all of his mysterious things, of women... or locust with hair like women, and teeth like lions. Why, the world will be completely, totally insane. It's not but just about one degree from it now.

I don't want to stand here when hideous sights... the people losing their mind. We look at man trying to act like beasts and look like beasts; and the women trying to look like animals, with the paints on their face. Knowing that these things are predicted to happen, that the thing will, they'll go so insane till locusts will rise up with hair like women to haunt the women; and teeth like lions, and things that You've said, the mental condition of the people will be completely gone. THE MIND OF CHRIST

Romans 12:2

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

I Corinthians 2:16

For who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ.

Philippians 2:5

Let this mind be in you, which was also in Christ Jesus:

You Don't Use Your Own Mind

Now, you can express it by mental conception, but if it becomes a real revelation of God, that you see it before it happened, and express it in word form, that word takes a hold and becomes material: a thought expressed. Oh, my, how God could... See? If your heart and your mind is so, and infilled with God's Spirit, until your thoughts become His thoughts... Amen. There you are. When your mind, and your leading, and your guiding, becomes a direct place, or a direct inspiration of the Holy Spirit that's moving your mortal being... Oh, my.

What kind of people should we be? If the very Holy Spirit has you so embodied or empowered, that you don't use your own thoughts, you don't use your own mind, you don't use your own opinion; but the Holy Spirit has you so built, until your thoughts and your being is God's Spirit expressing Itself through you, what kind of a church would we be?

What kind of a people would it be, this morning, if this Branham Tabernacle, this morning, was so filled with the Presence of God, why, when you didn't even use your own mind, didn't even use your own thoughts, didn't even have no alternative of your own, but just to be led by the Spirit...?

The Bride Has The Mind Of Christ

Notice the harmony of the Father and the Son. Jesus never did anything until it was first showed Him by the Father. John 5:19. This harmony is now to exist between the Groom and His bride. He shows her His Word of life. She receives it. She never doubts it. Therefore, nothing can harm her, not even death. For if the seed be planted, the water will raise it up again. Here is the secret of this. The Word is in the bride (as it was in Mary). The bride has the mind of Christ for she knows what He wants done with the Word. She performs the command of the Word in His name for she has "thus saith the Lord." Then the Word is quickened by the Spirit and it comes to pass.

David spoke that he would write His commandments upon the bed post and meditate on them day and night. That's what the church ought to do, would keep your heart tuned in with God day and night, for it's then's when He appears.

Solomon said, "As a man thinketh in his heart, so is he." Begin to think that you're one of His children, that He saved you, and He's good to you, and you love Him, and He loves you. Don't just wait till you go to church, or some convenient hour; just keep Him on your mind all the time.

Think On Christ

And as we set as he did in the days gone by, if our meditations is taken off of our church affiliations, if our meditation is taken off of our works, or off of the superstitions that we have in our mind, and place them upon Him and His Presence, He will come and do the same thing tonight that He did for blind Bartimaeus on that day. If we'll just do it, if we'll just keep our mind stayed on Him.

And notice, it's when we are thinking on those things. The Bible said, "If there be any praise, if there be any virtue, think on these things."

Now, I want to ask you a question. What good does it do us to come to church and set in the meeting and ponder and may be discouraged because we didn't get a prayer card, or maybe be discouraged because of some ill thing a neighbor did, or discouraged about one little matter or the other? That keeps Christ away from you. It's when you're thinking on Him.

That's when the disciples, after the resurrection, was going down the road to Emmaus, as they were speaking about Him, that's when He appeared to them.

We got our minds on too many things of the world. If we would throw

those things off our mind, and think about Him and His soon coming, there'd more revelations and power in the church. But we keep thinking about the things... "What am I going to do tomorrow? What will I do next week? Will I hold my job? Will this be..." All those things are in the hands of God. Think on Christ.

See, the battle come along, somebody saying something bad about you, sickness come unto you, maybe God give you those light afflictions that He might heal you and show His favor to you, let you see what He means by it. He loves you.
