## **1 I BELIEVE IT WON'T BE LONG**

*Chorus:*

*I believe it won't be long when  
He shall come*

*He will come as a thief in the  
night*

*The world will go on as before  
But to the Gentiles He'll close  
Heaven's door*

I'm so glad that I saw the light  
And thank Jesus that I am His  
and tried  
I believe its end-time my friend  
Look at the world it's as dark as  
the night

Oh my friend ask Jesus today  
To wash all your sins away  
He will keep you humble by  
prayer  
Look in God's Word and you'll  
find Him there

## **2 WHERE WILL YOU STAND**

*Chorus:*

*Where will you stand on  
Judgment day?*

*You'd better make your mind up  
right away*

*You say there's time to, enter in  
But how long have you lived in  
sin*

*Now tell me on that day where  
will you stand*

Now the Bible tells that The  
Word of God

Is revealed to a Prophet  
In Amos 3 and 7 it is found  
Now the Prophets have all  
come and gone  
And we're waiting for the  
Rapture  
When The Lord shall take the  
waiting Bride away

There's a tribulation time that's  
writ  
In the Book of Revelation  
The Bride will be in Glory before  
that time  
The Spirit of God shall be taken  
away  
And the wicked shall remain  
With those who rejected God's  
Messenger that day

## **3 I'M NOT WORTHY**

I'm not worthy to stand in Thy  
presence O' Lord  
It was Jesus who died on the  
cross of Calvary  
For the sinner to set free  
God gave his only Son  
Now the Victory has been won  
I'm not worthy to stand in Thy  
presence O' Lord

He came down so humble  
The wise and prudent it could  
stumble  
He was born in a manger here  
below  
No place to lay His head  
The King of Kings, my it is said

I'm not worthy to stand in Thy  
Presence O Lord

**Ending:** No I'm not worthy to  
stand in Thy presence O Lord.

## **4 TRUST AND BELIEVE**

*Chorus:*

*Trust and believe don't be  
deceived*

*By one who'll lead you astray  
Come unto Him believe in His  
Word*

*It is written that thou shall live  
by faith*

In this world of sorrow  
Trouble there'll always be  
Till we gather in Glory forever  
With Jesus we'll live there in  
peace

Now I thank my Heavenly  
Father  
For giving new life to me  
And I don't want no other  
For God's true Word set me free

## **5 GO FEED MY SHEEP**

Go search them today on the  
mountains so tall  
My sheep's gone astray so far  
from the fold  
Go find them and bring them  
and ask me not why  
And I will reward when I come

*Chorus:*

*Go feed all my sheep, my little  
lambs too*

*Go feed all my sheep, my little  
lambs too*

*Go feed all my sheep, my little  
lambs too*

*And I will reward when I come*

Upon thine own shoulders go  
bring them today  
And fervently lead those who  
have gone astray  
Go find them and bring them  
and ask me not why  
And I will reward when I come

## **6 THE MESSENGER THAT CAME**

The Messenger that came  
William Branham was his name  
God to him opened up the  
seven seals

He told us of the serpent's seed  
Many more things God revealed  
And he said check it out with  
The Word

*Chorus:*

*He said, take God and repent  
and be baptized*

*In the Name of the Lord Jesus  
Christ*

*Ye shall receive the Holy Ghost  
not many days hence*

*And these signs shall follow  
them*

*(Hymn Continues)*

Thank God, thank God, for the  
Prophet he sent this day  
Or else He had to smite the  
earth with a curse  
Get down on your knees and  
pray  
And ask God to lead the way  
Through this prophet God  
showed us the way

## **7 IT WILL BE WORTH IT ALL**

*Chorus:*  
*It will be worth it all just to see  
this day  
When He calls me to my home  
in the skies  
There's no sorrow there and no  
burdens to bear  
It will be worth it all when we  
get home*

There's no sad farewells and no  
tears to dry  
In that City that The Lord has  
prepared  
When He calls me home, I will  
never more roam  
It will be worth it all when we  
get Home

There's the Prophet who came to  
this End-time age  
To bring the Bride back to The  
Word  
He preached against all sin, had  
perfect love within  
He was the Messenger of  
Malachi 4

## **8 HOW CAN TWO WALK TOGETHER**

It all started in the Garden of Eden  
When the first two were born  
in sin  
Now Cain was the seed of the  
serpent  
And Abel was the Seed of God

*Chorus:*  
*How can two walk together  
Unless they both agree  
One believes in the trinity doctrine  
And the other believes in one God*

Now Cain looked for fame and  
beauty  
While Abel sought the face of God  
Now they tried to walk together  
But they found they could not  
agree

Those two spirits that started in  
Eden  
Still rule men's hearts today  
One spirit will give you worldly  
wisdom and the other the True  
word of God,

**Ending:** Yes I believe in One  
God

## **9 JESUS IS COMING**

*Chorus:*  
*Jesus is coming back to earth again  
He is coming for His Bride  
To take them up with Him  
Jesus is coming back to earth again*

*As soon as the last one has  
entered therein*

His a sign of a cross on Mount  
Calvary  
He shed His own blood for you  
and for me  
But he arose again on that  
Easter morn  
So repent everyone and in  
Christ be reborn

The End-time Message came  
forth a while ago  
It brought us to The Word and  
the things that we should know  
In Malachi 4 it tells of a prophet  
to come  
He came and delivered The  
Word to every one

## 10 DEAR ONE

*Chorus:*

*Dear one make your stand today  
While Jesus is passing this way  
Tomorrow may be too late  
When The Lord may close  
Heaven's gate*

I'm so glad that I made a stand  
Though I lost many a friend  
Lots of friends won't help in the end  
On that day before Him you'll stand

When I looked around where  
I've been  
It only makes me sad within  
To see my loved ones parading  
in sin  
In this world the awful mess  
that it's in

### CD Folder: Seven Stars

## 11 THE SEVEN STARS

Seven stars in the Hand of Jesus  
Were the Messengers to each age  
Now the seventh star has come  
and gone  
And here is what he's seen

*Chorus:*

*He's seen the Bride come walking  
Their gowns were white as snow  
In their hearts they wore the  
Master's love  
On their face there was a glow*

By faith we'll be in that number  
The Ones God chose for His Bride  
Though we fail each day in this  
world below  
Someday we'll be by His side

On their face there was a glow  
Yes, on their face there was a  
glow.

## 12 JESUS IS CALLING

(Jesus is calling, calling)  
Open the door to your heart  
(Jesus is calling, calling)  
Change and make a new start  
(Jesus is calling, calling)  
Why, oh! Why don't you  
change tonight  
Ask God to make everything right

He's so tender and loving  
Safe from harm He'll keep you  
Flee to the rock Christ Jesus  
While He's still calling you  
(Jesus is calling, calling)  
Oh! Don't turn Him away  
(Jesus is calling, calling)  
Don't wait till it's too late  
(Jesus is calling, calling)  
Why? Oh why? Don't you  
change tonight  
Ask God to make everything right

## 13 I SENT FORTH A MAN

There'll be many that day  
come to Jesus and say  
Haven't I preached the Gospel  
and prayed in your Name?  
But Jesus will say "I never even  
knew you"  
You turned down the Truth  
that I sent your way

*Chorus:*  
*I sent forth a man with the*  
*Spirit of Elijah*  
*He had "Thus saith The Lord"*

*as he cried against sin*  
*He cried, come out, don't*  
*partake of their evil*  
*And He said, follow me like I*  
*follow Christ*

There was a sign for the gentiles  
Like Paul had in his day  
It was the Pillar of Fire that met  
him on the way

Now if you won't believe what  
His servant had to say  
You'll be judged by The Word  
and Jesus will say

## 14 GOD'S WORD IS TRUE

God's Word is true He will never  
fail you  
Listen my friend to these words  
of mine  
There is an answer to every  
problem you'll find  
They're found in The Bible, the  
True Word of God  
In there is Eternal Life to all that  
believe

*Chorus:*  
*God's Word is true He will never*  
*fail you*  
*If you'll walk in His Light*  
*He will see you through*  
*Like all of God's prophets*  
*That before us have been*  
*This Prophet fulfilled the Words*  
*That were written of him*

There is a promise  
To us in this day  
That a mighty Prophet

Is to come our way  
And we find this promise in  
Malachi 4  
And we must believe it  
So that God can restore

## 15 THERE IS ONLY ONE

There is only One  
Jesus Christ the Son  
Oh what have I done  
To deserve God's only Son

*Chorus:*  
*He set me free on Calvary's tree*  
*All would be lost if He*  
*Had not paid the price on the cross*  
They pierced His side  
The Truth they did deny  
Twas Grace that set me free  
Oh what He's done for me

## 16 GOD HATES SIN

Sin, Sin God hates sin  
Flee from darkness and enter in  
Come, come without delay  
He will help you and show you  
the way

*Chorus*  
*Don't look back though the*  
*mountain looks tall*  
*He will hear you and answer*  
*your call*  
*Hold to God's unchanging Hand*  
*Without Him you'll surely fall*

Love, love God is Love  
Love is the greatest power of all  
Turn, turn to God today  
Time is at hand that mercy shall  
reign

## 17 I COULDN'T GO BACK

I couldn't go back where I started  
from  
To the sinful world that I've known  
I couldn't go back where I begun  
Since Jesus saved my soul

*Chorus:*  
*How could I go and do the works*  
*That I used to do*  
*Since Jesus lived within my heart*  
*He took away all desires of this*  
*world*

You can't tell me He's living in  
your heart  
If you don't do His commands  
You can't serve Jesus and Satan too  
By their fruits you shall know the  
Truth

## 18 A MAN SENT FROM GOD

*Chorus:*  
*A man sent from God in this evil age*  
*Rejected by the world as in days*  
*of old*  
*As a voice spoke to him in 1933*  
*Said you'll forerun the Second*  
*coming of Christ*

Spoken:  
(You know friends there was a  
man sent from God in your day.)

Yes he came forth - with the  
Spirit of Elijah was upon him

Now God sent him to turn the  
hearts of the fathers to the  
children and the hearts of the  
children back to the fathers.

Now the denominations they  
rejected Him.  
Both the large and the small  
And like Paul they called him a  
woman hater.  
Ah, but you know that wasn't it at  
all.

They were just a type of the  
Scribes and Pharisees in Jesus'  
time.  
With their schooling and  
seminars, they're too highly  
educated to recognize the  
Prophet sent for this Age.  
Yet he only cried out against the  
Jezebel spirit that again rules the  
world today  
And although William Branham  
was taken off the scene his  
Message is still God's Provided Way.

## 19 PLEASE DON'T WAIT

*Chorus:*  
*Please don't wait until it's all over*  
*For the coming of the Lord is at*  
*hand*  
*So repent of your sins don't wait*  
*till tomorrow*  
*For no-one knows when their life*  
*here could end*

I'm looking for that bright  
cloudless morning  
When the prophet said the dead  
in Christ shall rise  
For the wicked then there shall be  
no warning  
For to them He will come as a  
thief in the night

Oh Lord there are loved ones  
who are bound in sin

They heed not to the prophet  
Thou hast sent  
Forgive them dear Lord and bring  
them in  
For the time will come when it  
will be too late

## 20 HE WAS MORE THAN A MAN

*Chorus:*  
*He was more than a man*  
*When before Pilate He did stand*  
*He was more than a man*  
*For He was the Sacrificial Lamb*

When Jesus was down here on earth  
He came in such a low, humble birth  
And He did not come down here  
to stay  
For my sins the price He came to pay

When the multitude took him away  
From the hillside where He went  
to pray  
And they hung Him on Calvary's tree  
For the true Son of God they  
could not see

## 21 IT TAKES COURAGE

You can close your heart to others  
And no heartaches you will share  
For to sympathize brings sorrow  
You're afraid to really care  
But just think what might have  
happened  
If the One on Calvary had been  
afraid  
To care for you and me

*(Hymn Continues)*

*Chorus:*

*It takes courage to care  
It takes strength to sympathize  
It takes courage to show pity  
Yes it takes a man to cry  
There was one who walked  
before us  
Up the Hill of Calvary  
He had the courage to care for  
you and me*

You may build a shell around you  
Until no one can get through  
And your friends are only those  
You know can do the most for you  
You may think this way is easy  
But the price you'll pay is high  
For you're giving up the best  
things in life

## **22 TILL HE CALLS FOR ME**

I walked alone in this world of sorrow  
Till I heard the Voice of God call  
to me  
He said obey the Word that's  
been spoken  
Obey the 10 Commandments  
that have been broken

*Chorus:*

Here is my humble confession  
Here is my humble heart's prayer  
That by His Grace He leads me  
Till He calls for me

I heard that Voice so sweetly calling  
He said repent and be baptized in  
Jesus Name  
Obey The Word, God's Servant  
has spoken  
For The Holy Ghost within will be  
your Token

**Ending:** That by His Grace He  
leads me  
Till He calls for me

### **CD Folder: They That Wait Upon The Lord**

## **23 IT WAS MY LORD**

Not long ago I was walking in  
darkness  
Without a hope in life that I could see  
But then, one night I found a  
friend to help me  
It was My Lord that put my soul at  
ease

*Chorus:*

*Come and see my Jesus  
What He's done for me He'll do  
for you*

*Come and see my Jesus  
Just repent of your road and be  
set free*

Now I was lost like a sheep  
Without a shepherd, wandering  
down a road that led to death  
Till one night I heard a sweet  
voice calling  
It was my Lord that put my soul  
at ease

**Ending:** *Just repent of your load  
and be set free.*

## 24 ROCK OF AGES

Rock of Ages cleft for me  
Let me hide myself in Thee  
Let the water and the blood  
From Thy wounded side which  
flowed  
Be of sin the double cure  
Save from wrath and make me pure

*(Hymn Continues)*

Could my tears forever flow  
Could my zeal no languor know  
These for sin could not atone  
Thou must save and Thou alone  
In my hand no price I bring  
Simply to Thy Cross I cling

While I draw this fleeting breath  
When my eyes shall close in death  
When I rise to worlds unknown  
And behold Thee on Thy throne  
Rock of Ages cleft for me  
Let me hide myself in Thee

## 25 WHEN YOU KNEEL DOWN

When you kneel down before  
The Savior  
Then His presence you require  
With your conscience free before  
Him  
He will grant your heart's desire

*Chorus:*

*Yes He'll come right down from  
Glory  
If your life to Him you'll give  
When you kneel down before  
The Savior  
In His Spirit you will live*

When you hear The Word that's  
spoken  
And to it you don't take heed  
Then He'll take His Spirit from you  
And from God you'll always be  
In His Spirit you will live

## 26 LORD HELP ME STAND

There's only one who can make  
me whole  
And it's Jesus living in my soul  
Such peace of mind, such love Divine  
Knowing that Jesus is really mine

*Chorus:*

*Let the word Sink deep in my soul  
Till the billows of Heaven may roll  
Let me stand and never more roam  
Till the Lord will call me home*

Lord help me stand at my post  
of duty  
Till I see my home of beauty  
There's only one, one home for me  
And it's Heaven where I long to be

## 27 MAN OF GALILEE

There's a Name that's dear to me  
Lifted me from misery  
Took me out of sin and shame  
How I love that Precious Name

It grows sweeter every day  
Serving Jesus really pays  
Oh! How I love that Man of Galilee

Sweet Jesus - Fellowship Divine  
Sweet Jesus - I know that He is mine  
Sweet Jesus - a Precious friend indeed  
Sweet Jesus - whenever I'm in need

It grows sweeter every day  
Serving Jesus really pays  
Oh! How I love that Man of Galilee

Sweet Jesus - Fellowship Divine  
Sweet Jesus - I know that He is mine  
Sweet Jesus - a Precious friend indeed  
Sweet Jesus - whenever I'm in need

For He'll be the same to you  
Then you'll call him sweet and true  
Oh! How I love that man of Galilee

## 28 THE JUDGEMENT FELL

The raindrops fell on the 7th day  
After God had closed the door  
The people then in fear did pray  
And begged Noah please open the door

The mocking stopped and the laughter ceased  
When Judgement began to fall  
Though the people cried "have mercy Lord"  
But God would not hear their call

*Chorus:*

*So don't wait, don't hesitate  
Heed the warning of God's call  
So don't wait, don't hesitate  
For destruction is at hand  
God shall come to judge the world  
as He did then*

The fire fell in Abraham's day  
When Sodom was destroyed  
Two Angels went to Lot that day  
and said warn your family  
Four went out, but one looked  
back and judgment fell on her  
So don't look back, just look ahead  
to God and you won't stray

## 29 THEY THAT WAIT UPON THE LORD

*Chorus:*

*They that wait upon the Lord  
Shall renew their strength  
They shall mount up with wings  
as eagles  
They shall run and not be weary  
They shall walk and not faint  
Teach me Lord, teach me Lord to wait*

Teach me Lord to wait down on  
my knees  
Till in your own good time you'll  
answer my pleas  
Help(Teach) me not to rely on  
what others do  
But to wait in prayer for an  
answer from you

Teach me Lord to wait while  
hearts are aflame  
Help me humble my pride and  
call on your Name  
Keep my faith renewed, my eyes  
on thee  
Help me be on this earth what  
you want me to be.

## 30 NEW JERUSALEM

*Chorus:*

*Someday we'll live in a city  
Where the streets are paved with  
gold  
There'll be joy and peace forever  
In that New Jerusalem*

Just the other day I was walking  
Through the city that was built by man  
I could see the people had fallen  
In the hands of Satan's command  
*(Hymn Continues)*

I know that Jesus is calling  
To turn away from the tree of hate  
So let's try to enter through the  
strait gate  
For the Lamb of God has  
prevailed

## 31 ETERNAL LIFE

I was thinking of death when it  
surrounds me  
And the cares of this world I leave  
behind  
Then I stopped and said Thank  
God for my Eternal Home  
That you have prepared for me

*Chorus:*  
*I said, "Thank you Lord for Eternal Life"*  
*And all that you've done for me*  
*You have given me a home that*  
*no other could give*  
*And I'll live the life you want me to live*

I thought of this world, the  
condition it's in  
And the people in it are blind  
Again I stopped and said,  
Thank God for the Revealed Word  
You have sent us in this time

**Ending:** Yes I'll live the life you  
want me to live

## 32 YES HE LIVED HERE

There's a story that ought to break  
the heart of sinners  
And it tells of the life our Savior led  
How He came to this world and  
from the day He was born  
People seeking His life to take

*Chorus:*  
*Yes He lived here in pain, shame*  
*and such miseries*  
*Yet He loved them in spite of*  
*these things*  
*Though they mocked Him,*  
*scoffed Him*  
*And tried Him to anger*  
*Yet He loved them in spite of*  
*these things.*

It came to pass when Judas  
betrayed Him  
Like many people today they do  
the same.  
The kiss of death he placed on  
Jesus' face  
Then the soldiers they took Him  
away.

**Ending:** Yet He loved them in  
spite of these things

## 33 EVERYBODY UP THERE

I wondered again of my home in  
Heaven  
Where we shall have peace and be  
happy and free  
Where Jesus will rule and the  
saints there with Him  
Where we will be young and will  
never grow old

*Chorus:*  
*Everybody up there will give Praise*  
*to the Master*  
*Nobody up there that will disagree*  
*We all will be one big family in*  
*Heaven*  
*And we'll all have the Name of The*  
*Father above.*

I want to thank God for the 7th Angel  
The vessel God chose to bring  
forth His Word  
Now the prophet has gone and  
the days here are numbered  
When Jesus will come to take  
home His Bride

## 34 A CHILD OF A KING

Once I was clothed in the rags of  
my sin  
Wretched and poor, lost and  
lonely within  
But with wondrous compassion  
The King of all Kings  
In pity and love took me under His  
Wings

*Chorus:*  
*Oh yes! Oh yes! I'm a child of the King*  
*His Royal Blood now flows in my*  
*veins*  
*And I who was wretched and poor*  
*now can sing*  
*Praise God, Praise God, I'm a child*  
*of the King*

Now I'm a child with a Heavenly  
Home  
My Heavenly Father has made me  
His own  
And I'm cleansed by His Blood and  
I'm clothed in His Love  
And someday I'll sing with the  
Angels above

### CD Folder: Joy in the Morning

## 35 JOY IN THE MORNING

What a glad day we are coming to  
And it's not far away  
When the dead in Christ shall rise  
O glorious day  
I can see a new day dawning now  
I feel like traveling on  
And there'll be joy in the morning  
one of these days

*Chorus:*  
*There'll be joy in the morning*  
*There'll be joy in the morning*  
*There'll be joy in the morning one*  
*of these days*  
*When we see our loved ones*  
*who have gone on before*  
*There is going to be joy in the*  
*morning one of these days*

There are brothers too many to  
mention  
That are waiting over there  
And on that day they'll be  
appearing to their own  
And with great anticipation we're  
all longing for that day  
Oh! What a beautiful morning  
bright and fair

**Ending:** One of these days - one  
of these days

## 36 SINCE GOD DREW ME

Like the prodigal son in sin I wondered  
Far away from my father's home  
Although I thought that I had the  
answer  
*(Hymn Continues)*

Success in life was my goal  
But the farther I roamed more  
sorrow I beheld  
Till I came to the end of my road

*Chorus:*  
*Since God drew me I found joy*  
*Everlasting joy in my soul*  
*Since God drew me I have peace*  
*Resting deep within my soul*

Like Joshua and Caleb, I want to  
go through  
Till I reach that Promised Land

*(Hymn Continues)*  
And I know each day that He will  
help me  
Overcome by His amazing grace  
By faith I see the victory ahead  
Praise God, Hallelujah! I'm  
shouting victory

**Ending:** I have peace, I have  
peace I have peace within my soul

## 37 GUILTY OF LOVE

*Chorus:*  
*Guilty of love in the first degree*  
*So He had to go to Calvary*  
*Where He shed His last drop of*  
*blood for me*  
*And the jury found Him guilty*  
*Of love in the first degree*

Order in the court: - would you  
bring the prisoner forth please  
And what sir is your name?  
And He said, "Jesus of Nazareth"  
You're accused of healing on the  
Sabbath day  
And many other things the elders  
did say

They say your disciples plucked  
corn on the Sabbath day and did eat  
And that you yourself sat with  
sinners at meat  
And what did Jesus say?  
But He kept silent that day  
But wait and see what the  
witnesses had to say

Guilty of love in the first degree  
My name is Bartimaeus and I was blind  
Could not see the light of day,  
Oh! But I can see today  
Because of Him  
And another came and another  
and there was another  
And he said, "I was a leper, I was  
one of the ten  
And I've come back this final time  
Just to Glorify Him

And on and on they came that day  
Each for Him had kind words to say  
But then the crowd began to cry  
"crucify"  
"Crucify Him, give us Barabbas  
This man here He must die"  
And so they took Him away to a  
place called Calvary  
And they nailed him to the cross  
between 2 thieves  
For the jury had surely found Him  
guilty  
Guilty of love in the first degree

## 38 I BELIEVE JESUS SAVES

In this age of confusion  
There's dissolution everywhere  
It's hard to find true peace of  
mind in someone who really cares  
I've put my trust in Jesus  
He's like no other friend I've known

His Word is true He will see me  
through I believe Jesus

*Chorus:*

*I believe Jesus saves  
I believe a crown of life awaits  
beyond the grave  
I believe the path of Saints have trod  
That the prayer can touch the  
Heart of God  
I believe the old time way  
I believe Jesus*

Though this world has refused Him  
Though He's abused yet still He lives  
His grief and pain was for our gain  
That our Lord might freely give  
faith to overcome each trials  
The grace to live in victory  
His nail-scarred hands bought  
salvation plan  
I believe in Jesus

## **39 SING OF HIS GREAT LOVE**

There's a longing here below  
Only God's people can know  
To be changed in a moment  
In the Rapture caught away  
We are looking for a city  
As Abraham did in his day  
I am longing for that bright and  
cloudless day

*Chorus:*

*We'll have joy over there  
In that city bright and fair  
When we gather round and sing  
Amazing Grace  
We will shout and dance around  
And we'll sing of His great love  
Yes we'll sing of His great love  
over there*

He will call my Name up there  
Before I climb those golden stairs  
We have loved ones there  
awaiting  
We'll meet at the Eastern Gate  
Oh! My brother let's press on  
Till the battle has been won  
I can't hardly wait to see my  
Savior's Face

## **40 GETTING WEARY**

I'm getting weary of this  
lonesome road I've trod  
Every day I'm longing more to be  
with God  
Just to leave this world of sin and  
all its strife  
And to walk into a Heavenly new life

*Chorus:*

*There's a great magnet drawing  
from above  
And there's nothing can hold me  
here below  
I'll rise to meet Him in the air  
When the final call comes for me  
to go*

As I gaze into the starry sky above  
How I marvel at the mighty works  
of God  
Yes we know He's living in my  
soul  
He's the greatest Gift any that  
man could hold.

*Repeat Chorus*

2 x When the final call comes for  
me to go.

## 41 OUT IN SIN

Oh my friend if you are  
wandering out in darkness  
And all hope is gone; you don't  
know where to turn  
Repent of your sins, believe what  
God has given  
Trust in Jesus, He is the Light,  
He'll see you through

*Chorus:*

*For tomorrow may be too late  
and you'll be in sorrow  
Please make things right before  
the day is through  
And you don't know if the sun  
would rise tomorrow  
Oh my friend it's late to be living  
out in sin*

Would you bear the reproach this  
End-Time Word will bring you  
Would you gladly receive  
persecution that will come  
For Jesus said "You'll be hated for  
My Name's sake"  
And the time is at hand when  
He's coming back again

**Ending:** Yes my friend it's late if  
you're living out in sin

## CD Folder: When I Wake Up

## 42 WHEN I WAKE UP

What a glad thought some  
wonderful morning  
When we hear Gabriel's trumpet  
sound  
When I wake up to sleep no more  
Leaving behind both trouble and  
sorrow  
With a glad shout I'll leave the ground  
When I wake up to sleep no more

*Chorus:*

*When I wake - up on that glad  
morning  
To sleep no more - Jesus adoring  
Happy I'll be - over in Glory  
On heaven's bright shore -*

*telling the story with the  
redeemed of all the ages  
Praising the one whom I adore  
When I wake up to sleep no more*

Glory to God I'll have a new body  
Changed in the twinkling of an eye  
When I wake up to sleep no more  
Running to meet our blessed  
Redeemer  
Bound for that city built on high  
When I wake up to sleep no more.

## 43 HARVEST IS PAST

The leaves have fallen, harvest  
time is past  
So is it in the Spirit - the end is  
coming fast  
The time will soon be here when  
Jesus Christ will come  
Oh! Lift up your head your  
Redemption is drawing nigh

*Chorus:*  
*And it will be too late my brother  
then to pray  
Don't put off till tomorrow what  
you can do today  
Or you will find yourself in judgment  
And you'll have to pay  
For the opportunity that has  
come your way*

Now it's gleaning time the  
reapers are in the fields  
To find the last of the seeds  
-the others will not yield  
And the Glory of God will shine  
For its evening time and the true  
Bride of Christ  
Will soon fall into line

**Ending:** Don't put off till  
tomorrow what you can do today

## 44 LOVE DIVINE

It was love that drew my soul  
away from sin and shame  
How it felt that night I came to Him  
I can't explain  
As the joy of peace was bubbling  
over in my soul  
I just know within my heart that  
Jesus made me whole

*Chorus:*  
*Once again I'd like to tell you of  
His Love Divine  
Nothing else could take His place  
and give you peace of mind  
Without Jesus in my heart I  
would have died in sin  
Once again I'd like to thank Him  
that He drew me in*

You can live a life that the people  
may say there's a man that's nice  
You can give to the poor- do all  
these things but your heart's not  
right  
For the Bible plainly states you  
must be born again  
For without His love in you it  
would be all in vain

## 45 GREATEST MORNING

I woke up this morning  
wondering could this be the day  
When those who beneath us are  
resting  
Would arise to bring on that New Day  
Then my heart began to beat for joy  
Knowing what day that will be  
For the Bride will go to meet Jesus  
The Bridegroom she so longs to see

*Chorus:*  
*It will be the greatest morning ever  
When our loved ones again we  
behold  
This time we'll meet never to part  
With Jesus we always will be*

The signs and times are telling us  
That this is the day He'll return  
There's wars and earthquakes  
everywhere

Hearts failing for the trouble they see  
And the prophet has cried out again  
"Oh! People return back to God  
For Jesus is coming for a Bride  
Whose garments are spotless and  
white

## 46 I'M A PRISONER

I could be adrift on life's ocean  
And I could be in darkness of sin  
Yes I could be in search of life's  
meaning  
I could be lost, but thank God I  
am saved

*Chorus:*

*But now I am free from sin and shame  
I'm walking in the Light of The  
Word of God  
No longer in darkness and no  
more will I stray  
I'm a prisoner to the One who's in  
my soul*

I'm thankful that I am a prisoner  
Yes, I'm so glad that Jesus took  
me in  
Let me never spurn my calling  
And when time is over let Eternity  
come in

**Ending:** Yes I'm a prisoner to the  
One who's in my soul

## 47 SING ME A SONG ABOUT CALVARY

There's an empty tomb in  
Jerusalem today  
That plainly to us testifies  
That He Who slept there no  
longer is there  
But liveth and reigneth on high

And just as sure as He came before  
To suffer and die for my sins  
Just as sure what I feel in my heart  
Let me know He is coming again

*Chorus:*

*Sing me a song about Calvary  
Show me His suffering and loss  
Tell it till each part of my soul  
shall cry  
Thank God for the old Rugged Cross*

They say soon each mountain  
and high lofty place  
Will be brought down at God's will  
Yet in my heart forever will stand  
A vision of Golgotha's Hill  
Cause that's where Jesus my  
Savior and Lord  
gladly the sacrifice made  
So when I repented  
I came to this road  
I found sin debt already was paid

## 48 IT IS SO WONDERFUL

Where could I go but to the Lord  
It's so wonderful to know  
There's a place where you can go  
When you're all burdened down  
With the cares of this world  
When it seems that nothing's real  
That's the time that you should kneel  
Pray to God up in Heaven  
And tell Him how you feel

*Chorus:*

*Yes is so wonderful to know that  
He is real  
Living in my soul- His love I can feel  
With each step that I take I know  
I'm nearer home  
And all my trials will be over after  
a while*

When the trumpet of God shall sound  
Oh! Where will you be found?  
Will your anchor be in Jesus?  
Will your heart be free from sin?  
On that bright and cloudless morning  
With the saints I want to rise  
When the roll is called up yonder  
I will meet Him in the sky

**Ending:** When the roll is called  
up yonder I'll be there.

## 49 WHY ME LORD

Why me Lord? What have I ever  
done?  
To deserve even one of the  
pleasures I've known?  
Help me Lord, what did I ever do  
That was worth loving you all the  
kindness you've shown

*Chorus:*

*Lord help me Jesus I've wasted  
it so  
Help me Jesus I know what I am  
Now that I know that I needed  
you so  
Help me Jesus my soul's in your  
hands*

Try me Lord? If you think there's  
a way  
I can try to repay all I've taken  
from you  
Then make it Lord  
I can show someone else what  
I've been through myself  
On my way back to you

## 50 SHOUTING ON THE HILLS OF GLORY

*Chorus:*

*There'll be shouting on the hills  
of Glory  
Shouting on the hills, yes  
shouting on the hills  
When we reach that land of  
which we heard the story  
There'll be shouting on the Hills  
of God*

What a happy time is coming  
When we reach our Home in Heaven  
And the burdens which we bore  
we'll bear no more  
When the angels sound the trumpet  
Calling us for those bright mansions  
There'll be shouting on the  
everlasting shore

When the saints begin to gather  
round the throne in that bright city  
And the angels choir the song of  
praise outpour  
Hearts of joy will then be ringing  
Saints of all the ages singing  
Such a meeting as you've never  
saw before

## 51 THE WELL OF HIS MERCY

*Chorus:*

*The water of life gave me  
strength to go on  
He opened my eyes turned the  
darkness to dawn  
And now there is sunshine and  
love in my heart  
Something inside me is singing  
The thirst in my soul now is  
quenched every day  
As I drank at the well of His mercy  
(Hymn Continues)*

Most of my life I've been filled  
with despair  
Everything seemed to slip by me  
Fear ruled my heart and my soul  
Then I drank at the well of Mercy

Now if you are thirsty come drink  
at this well  
You will never thirst again  
Like the woman at the well Jesus  
spoke to that day, said  
Come drink at the well of Mercy

**Ending:** Come let us drink at the  
well of His Mercy.

## 52 THE UNSEEN HAND

There is an unseen hand to me  
That leads to ways I cannot see  
While going through this world of  
woe  
This Hand still leads me as I go

*Chorus:*  
*I'm trusting to the unseen Hand*  
*That guides me through this*  
*weary land*  
*And some sweet day I'll reach*  
*that strand*  
*Still guided by the unseen Hand*

This Hand has led through  
shadows drear  
And while it leads I have no fear  
I know it will lead me to that Home  
Where sin nor sorrow it can't come

I long to see my Savior's Face  
And sing the story saved by grace  
And there upon that golden strand  
I'll praise Him for His guiding Hand  
Still guided by the unseen Hand

## 53 THE WICKED SHALL CEASE

The wicked shall cease their  
troubling  
The weary shall be at rest  
Home of the Saints of the Ages  
I'm going to sit at His Feet and be  
blessed {x 2}

Oh! Now I'm just a stranger down  
here  
This old world is not my home  
We're gonna to wake up and  
find out one morning O Lord  
And Praise God we're going home

## 54 I FORGIVE

Like the woman brought to Jesus  
who was taken in her sin  
I'm so ashamed of what I done  
and where I've been  
But justice for the payments it  
was more than I could give  
But mercy smiled upon me  
saying "I forgive"

*Chorus:*  
*The sweetest words He ever said*  
*was "I forgive"*  
*A sinners' stain was wiped away*  
*and I could live*  
*Well I liked the part where He told*  
*about a mansion He would give*  
*The sweetest words He ever said*  
*was "I forgive"*

So if you're tired of living with the  
wrong that you have done  
Come on home to Jesus you  
know He's the cleansing One  
In His arms He'll hold you -  
you've just begun to live  
When you hear Him gently  
whisper "I forgive"

## 55 I DO BELIEVE

*Chorus:*

*I do believe that His Coming is at hand, Yes*

*I believe that we're at the very end  
And if you knew The Lord was coming tomorrow*

*Live a Christian life try to win some soul today*

Just follow the straight way  
And prepare to meet your God  
And then don't look back on  
The simple path you've trod  
And though Satan may tempt you  
Run to that shelter in the Lord  
Jesus Christ

Don't lay down your armor  
We must press the battle each day  
And for this End-time Message  
There's a price you'll have to pay  
The Bride may suffer persecution  
But the tribulation, she will never see  
Live a Christian Life, try to win some soul today

## 56 JESUS HELD ONTO MY HAND

As a child we were poor  
I saw disaproof  
I wept bitter teardrops  
Alone in my room  
The family circle was broken  
By trouble and sin  
But Jesus held onto my hand

*Chorus:*

*Jesus held onto my hand  
Giving me comfort that only He can  
More than a father, brother or friend  
But Jesus held onto my hand*

The only Century Bible  
They were making the plea  
I joined them in singing  
He's all that I need, He's all that I need  
I fell at the altar I was very discouraged  
But Jesus held onto my hand

**Ending:** More than a father,  
brother or friend  
But Jesus held onto my hand

## 57 I'M GOING THAT WAY

I've heard of a land of joy and peace and wonderful life  
A beautiful place of mansions fair and skies ever bright  
I know we will be near the Savior here forever shall stay  
All trusting in His soul redeeming love  
I'm going that way

*Chorus:*

*I'm going that way, I'm going that way  
And Jesus the Savior I adore is with me today  
I'm clinging to Him;  
(I'm clinging to Him)  
and never to stray  
(and never to stray)  
All singing His praises all day long  
I'm going that way*

The glorious news I'll tell and sing  
as onward I go  
That those who are still astray  
and sin my Savior may know  
I want them to sing His Praises  
above some beautiful day  
Oh Glory to Him who died for me  
I'm going that way

## 58 LOVING JESUS

*Chorus:*

*Jesus, Loving Jesus,  
You're the only way I can go on  
I cried Jesus, loving Jesus who  
loved me enough to save me  
From this world of sin*

Sometimes I get so weary  
Sometimes I feel so blue  
And at times when I take one step  
I fall back two  
But then my mind goes back to  
the promises you gave  
And one more time I rise above  
the world

Oh! Lord our days are a short and few  
There's trials on every hand  
And there's no hope for this life  
here below  
So help me always to be a man  
Admit where I've gone wrong  
And someday Lord we'll sing a  
brand new song

**Ending:** Who loved me enough  
to save me from a world of sin

## 59 JESUS HOLD MY HAND

Take my Hand precious Lord lead  
me on let me stand  
Though I'm tired, I am weak, I am worn  
Through the storm through the night  
Lead me on by Thy Light  
Take my hand Precious Lord lead  
me on

As I travel through this Pilgrim land  
There is a friend who walks with me  
Leads me safely through the

sinking sand

It is the Christ at Calvary  
This would be my prayer dear  
Lord each day  
To help me do the best I can  
As I need Thy light to guide me  
day and night  
Blessed Jesus hold my hand

*Chorus:*

*Jesus hold my hand  
I need Thee every hour  
Through this pilgrim land  
Protect me by thy power  
Hear my feeble plea  
Oh dear Lord look down on me  
When I kneel in prayer I hope to  
meet you there  
Blessed Jesus hold my hand*

Let me travel in the light divine  
That I may see that blessed way  
Keep me that I may be wholly Thine  
And sing redemption's song  
someday  
I will be a soldier brave and true  
And ever firmly take a stand  
As I onward go and daily meet  
the foe  
Blessed Jesus hold my hand

## 60 SUCH LOVE

Oh the right road I traveled since  
Jesus came in  
Took away all my sins He gladly  
bore the shame  
When they nailed Him to the  
cross  
He never counted the cost  
Praise the Lord hallelujah  
Oh! What love He had for us

*Chorus:*  
*Such Love such wonderful Love*  
*I was lost condemned to die*  
*When He reached down His*  
*Hand for me*  
*He took my place at Calvary*

When they stood all around Him  
and accused Him of sin  
They mocked Him and smote  
Him and cursed His Holy Name  
Yet He stood there like a lamb  
Not one word to defend  
Praise The Lord hallelujah all  
Glory to the Lamb

**Ending:** He took my place at  
Calvary

## 61 UNWORTHY

Unworthy am I of the Grace that  
He gave  
Unworthy of scars in His Hand  
Amazed that a King would reach  
down to a slave  
Such love I cannot understand

*Chorus:*  
*Unworthy, unworthy*  
*A beggar in bondage and alone*  
*But He made me worthy and now*  
*by His Grace*  
*His Mercy has made me His own*

Unworthy am I of the Glory to come  
Unworthy with angels to sing  
I thrill just to know that He loved  
me so much  
A pauper I walk with the King

## 62 JESUS OPENED UP THE WAY

Jesus Christ the Lord opened up  
the way to glory  
When He died to save us from  
our ruined state,  
And He asks that we shall go tell  
the world the story,  
How His blood will save them  
from their awful state

*Chorus:*  
*Jesus opened up the way to*  
*heaven's gate*  
*When He died on the cross, to*  
*redeem all the lost;*  
*He prepared the road that leads*  
*to His abode*  
*'Tis a road marked by blood but it*  
*leads us home to God*

Sinner, will you come and join in  
this heavenly journey  
Walk the bloody pathway that the  
Savior trod  
Then when life is over and all the  
sheaves are garnered  
You will meet the Savior and be  
not afraid

Oh Jesus Christ the Lord opened  
up the way to Heaven's gate  
When He died on the cross He  
redeemed all the lost

## GOD RICH IN MERCY

**63** This world was lost and so  
undone  
Just look at what sin has done  
Believing the lie that Satan told to  
Eve that day  
Throwing this world in total despair  
In east of Eden no longer could  
dwell

Now they can see driven from  
God, what sin has done.

*(Hymn Continues)*

*Chorus:*

*God rich in mercy, God rich in mercy  
Sending His Son we were undone  
God rich in mercy, God rich in  
grace, God rich in love  
Sent us the best from Heaven above  
Saying to all man today - God  
rich in mercy, God rich in mercy*

A prophet God sent to restore His  
Word

As it's recorded in Malachi 4  
Behold I will send to you Elijah  
before that day

What's been destroyed I will restore  
Proving to men God keeps His Word  
Now they can see what I've revealed  
I'm Rich in Mercy

## **64 HIS PRECIOUS LIFE HE GAVE**

In vision now I see Him there  
Hanging on that rugged tree  
Hanging there wracked with pain  
Dying there for souls like you and  
me

*Chorus:*

*They pierced His side  
His hands and feet  
When He cried "It is finished"  
Salvation was complete  
Now through His precious blood  
we're saved  
All because His precious life He  
gave*

He asked for a drink they gave  
Him gall  
My Savior's thirst is hid away  
No mercy then was shown my Lord  
As He gave His Life for us that day  
All because His precious Life He  
gave

## **65 THERE IS NO OTHER WAY**

Now the heart keeps on beating  
With each breath that you take  
Till the time appointed only God  
knows

They thought that last heart beat  
And the last breath you take  
You will stand before your Maker  
And you will stand alone

*Chorus:*

*Oh repent today and choose the  
right way  
While the Master is calling and  
you hear Him say  
"Come unto me"  
He'll turn your night to day  
If you accept His Word there is  
no other way*

When a child of the King  
Is being led in the way of  
temptations  
In this world of evil that's around  
Then I am so thankful for God's  
Spirit within  
That keeps me from wandering  
and brought me unto Him

## **66 JESUS PILOTS MY BOAT**

Now the soul of man is like a ship  
That sails on the sea of time  
Storms may come, winds may blow  
And rock this ship of mine  
But the reason my ship has never  
sank

And today it is still afloat  
My compass is His precious Word  
And Jesus pilots my boat

*Chorus:*  
*I won't sail these stormy seas no more*  
*Unless Jesus leads the way*  
*I won't ever drift so far from the shore*  
*I can't hear what He has to say*  
*For I belong to a fleet*  
*That sails today*  
*On the glorious one-way trip*  
*We'll land safely on shore to sail no more*  
*For Jesus pilots my ship*

My soul put in safety's port  
My stern was torn apart  
The bow of her vessel so badly crushed  
Sin's water flooded my heart  
I've sailed so long on life's angry waves  
With my cargo of fear and despair  
Then I called on His Name and  
He lifted the blame  
Now He pilots my ship everywhere

## CD Folder: Life Story

### 67 LIFE STORY

It was in 1909 in a lonely old cabin  
Where a baby was born with a sign over him  
The Pillar of Fire came down that day  
And whirled into the window in the room where he laid  
As he grew a little older his parents told him  
About the mysterious light that came in

*Chorus:*  
*Alone and forsaken by faith and by man*  
*Till an angel came down so he would understand*  
*He was God's chosen man*

One day he was resting beneath an old Oak tree  
When he noticed a whirlwind rustling the leaves

He thought nothing strange, but when he started to go  
A big Voice came forth and here's what He spoke

"Don't drink nor smoke defile your body in any way  
I've got a work for you later, I'll show you someday"

At the age of 7 God showed him a vision  
About a bridge being built  
Later on was fulfilled  
On the Ohio River where that bridge now stands  
Where the mysterious light came down again  
As he baptized his 17th person that day  
Thousands were there to witness that day

*(Hymn Continues)*

Now the story I told you  
I know there is more  
He was the fulfillment of Malachi 4  
Now if there's a doubt in your  
mind what you've heard  
Don't take it from me  
Check it out with the Word  
With an open heart  
God will show that it's plain  
That William Branham is this  
man's name

## 68 NEVER A MAN

Jesus went to the temple  
When He was only twelve  
His words awed the elders  
as His wisdom they beheld  
Says the multitude that followed  
to hear the man from Galilee  
Never a man spake like this man  
When He said come follow me

*Chorus:*  
*Never a man spake like this man*  
*The glorious King of Kings.*  
*He spoke to my troubled soul*  
*And now my heart sings*  
*He has promised in His Holy Word*  
*Some day His face I'll see*  
*Never a man spake like this man*  
*When He said come follow me*

He calmed the troubled waters,  
with a few words from his lips  
The lame walked the dumb talked  
When he said to them be healed  
And Lazarus came forth from the  
grave  
When he heard the Master speak  
Never a man spake like this man  
When He said come follow me

## 69 THE LIGHTHOUSE

There's a lighthouse on the  
hillside that overlooks life's sea  
When I'm tossed it sends out a  
light that I might see  
O that light that shines in  
darkness now  
will safely lead me o'er  
If it wasn't for that lighthouse, my  
ship would sail no more

*Chorus:*  
*And I thank God for the*  
*Lighthouse; I owe my life to Him*  
*Jesus is the Lighthouse and from*  
*the rocks of sin*  
*He has shone the light around*  
*me, so that I could clearly see*  
*If it wasn't for the Lighthouse,*  
*where would this ship be?*

Everybody that lives around us  
says tear the lighthouse down  
You know the Big ships don't sail  
this way anymore,  
Ain't no use of it standing around  
But then my mind goes back to  
that stormy night  
When just in time I saw the light  
For the light from that old  
lighthouse that stands there on  
the hill

You know the folks that live  
around us,  
They say why don't you tear that  
old light house down  
And the Big ships don't sail this  
way anymore,  
Ain't no use of it standing around  
Oh but then my mind goes back

to that stormy night  
When just in time I saw the light  
For the light from that old  
lighthouse that  
stands there on the hill

## **70 JUST KEEP ON REMEMBERING**

Jesus is leading us on day by day  
He walks beside me always  
Giving us the victory as we  
overcome  
And He'll be there when we lay  
our burdens down

*Chorus:*

*Just keep on remembering  
That God is always near  
Just keep on believing  
And His love will cast out fear  
The sun waits to break through  
And the clouds will roll away  
If you have faith that there  
will be a better, brighter day*

Just keep His Word before you  
As you walk the narrow way  
Don't let Satan get you down  
today  
Stay by your post of duty  
The race is almost run  
Time is late now it's the setting of  
the sun

## **71 HOLDING MY HAND**

Lord you gave me a life without  
sorrow  
And a home where my problems  
are few  
But if it all fell to pieces tomorrow  
I'd like to know that I have you

*Chorus:*

*Holding my hand as you only can  
hold it  
Whispering peace like no other  
can do  
I won't worry for fame and fortune  
If I only know that I have you*

And at last when this life is all over  
And Jordan's chilly water I view  
And no matter who's standing  
around me  
Lord I just got to know that I have you

**Ending:** Lord I got to know that i  
have You

## **72 O LORD HAVE MERCY**

This world has fame this world  
has fortune  
This world has plenty of popularity  
Now many a man has been taken  
therein  
Gone through life and died in sin

*Chorus:*

*Oh! Lord have mercy, have mercy  
on me  
I want to stand in Thy Righteousness  
Lord hear my cry I'm trusting now  
in Thee  
But for Grace it could have been me*

Now many said things I have  
heard of  
children dying in the street  
No one to care for them  
But the saddest thing I have seen  
of a man having lived in sin  
dying without God  
But for Grace it could have been  
me

## 73 AS FOR ME I'LL SERVE THE LORD

It seems to me this is the day  
When men's hearts from sin  
won't sway  
And their eyes are turning blind  
Loving sin with all their mind

*Chorus:*

*But for me I'll serve the Lord  
With all my heart and all of my mind  
Keep looking up to to God's own  
Word  
All my comfort there I find*

How glad I am that I've been saved  
From sin and shame that kept me  
a slave  
Now I can soar above the world  
For my strength comes from above

**Ending:** Yes my comfort there I find

## 74 LEARNING TO LEAN

*Chorus:*

*Learning to lean, learning to lean  
I'm learning to lean on Jesus  
Gaining more power than I ever  
dreamed  
I'm learning to lean on Jesus*

The joy I can't explain it fills my soul  
Since I found Jesus my King  
His Blessed Holy Spirit is leading  
my way  
And He's teaching  
O and I'm learning to lean

There's glorious victory each day  
now for me  
I found His Peace so serene  
He helps me with each task

If only I will ask  
Every day now I'm learning to lean  
Thank God I am

## 75 I WON'T GIVE UP

So many precious seeds are sown  
throughout the land  
Till they come to reap a lovely  
harvest stand  
The thorns and briars now are  
trying everything  
To choke the life till no more fruit  
will live they pray

*Chorus:*

*I won't give up until I'll wear a crown  
I won't give up till I lay my burden down  
Until my blessed Savior's face I see  
I'll never give up here  
I won't give up until our Lord I'll crown*

We're all invited to the Marriage  
of the Lamb  
It will be a bride that only for His  
Word will stand  
Not to make more of these  
worldly things than Him  
If we give up we'll surely miss  
everything

**Ending:** I won't give up until my  
Lord I'll crown

## 76 WITHOUT A DOUBT

Once I served the Lord only with  
my lips  
And I put my trust in my church  
membership  
But then my soul had a stir and I  
earnestly prayed  
Till I knew without a doubt I'm saved

*Chorus:*  
Without a doubt I'm saved  
I've been born-again  
Washed in Calvary's flow  
Pure and white within  
Oh, I once was lost  
By sin's chains enslaved  
But now I know without a doubt  
I'm saved

There's a deep settled peace in  
my happy soul  
Now my life has an aim  
Heaven is my goal  
And the world's gathering storms  
can't make me afraid, and  
I can shout, without a doubt I'm saved

**Ending:** Now I know without a  
doubt I'm saved

## 77 WATCH AND PRAY

The scene now is setting  
The time is drawing near  
When the Lord said He's coming  
As a thief in the night  
He warned us to be ready  
It could be just any day  
For the Master now is waiting  
For the Bride to watch and pray

*Chorus:*  
Watch and pray The Lord is  
coming Watch and pray  
He is waiting for his children to  
get desperate and say  
Oh Jesus please come quickly for  
there is no other way  
For the Spirit now is calling  
Oh my brother watch and pray

Oh people hold on tight  
This generation will not pass  
Just get your garments ready  
For we're going Home at last  
Be watching now and waiting for  
that morning bright and fair  
To be caught up in an instant; I  
will meet you over there

### CD Folder: Are you Ready

## 78 ARE YOU READY?

*Chorus:*  
Are you ready? Are you ready?  
Time is at hand, all mercy shall end  
Are you ready? Are you ready?  
Are you ready?  
Should the Master call today?

Though your sins be a secret  
God sees them there  
He knows the fall of a sparrow

The number of your hairs  
Though my friend, you're fooling me,  
But God knows it's there

While you see the light  
Make all things right  
Strait is the gate Acts 2 verse 38  
Oh! My friend, if He is calling you  
Don't wait till it's too late

## 79 WHEN I THINK ABOUT THE CROSS

*Chorus:*

*When I think about the cross my  
Savior had to bear  
And He did it for the one  
That the sinner would not be lost  
How could I go on sinning?  
When my heart cried out - He  
died for me*

O my friend if there's a calling to let  
Jesus In your heart  
He will give you life Eternal bright  
and fair  
Don't let Satan take the power  
For this may be your last hour  
For God may never call you  
anymore

I have found a blessed Savior  
By His grace I'll do His favor  
May I humbly do my part each  
day for Him  
Help me Lord to be more meeker  
Help the brother that is weaker  
May I humbly do my part each  
day for you

**Ending:** Yes my heart cried out  
He died for me

## 80 JESUS

I have lived a life of sin and  
sorrow till I found The Lord  
Jesus is my Savior, He died at  
Calvary  
I'll follow Him with all my heart  
I love Him, yes I do  
I can see a new bright future  
Cause from sin He set me free

*Chorus:*

*Jesus keeps me from all wrong  
Jesus He was God's begotten Son  
Jesus, sweetest Name I know  
Jesus, He guides me as I go*

One day we'll hear a calling  
We'll meet Him in the air  
We'll all fly up to Heaven  
For the marriage supper there  
For them there's peace forever  
upon that Golden shore  
To reign with Christ in Heaven  
And Praise Him evermore

## 81 STEPPING STONE

The other day I hung my head in  
crying shame.  
I asked the Lord "Is there someone  
that I can show the way?"  
When I think of all the loved ones  
that live their life in vain  
I pray, Dear Lord, May I not be the  
one that is to blame.

*Chorus:*

*May my life down here, be a  
stepping stone for them  
May they not see me but Christ  
living in me  
Help me spend more time on my  
knees in prayer for them  
Before you close the door like you  
did in Noah's time*

It's getting late; soon time will be  
no more  
Help me to walk in the Light of the  
prophet Malachi 4  
Not to rely on others but what The  
Word says to do  
Till you call for me let me live my  
life for you.

**Ending:** Before you close the door  
like you did in Noah' time.

## 82 GOD'S SPIRIT WON'T ALWAYS STRIVE

Have you heard the shout as it  
rang out loud and clear?  
Come out, come out my friend  
Don't partake of their creeds  
The mysteries have been revealed  
It's evening time, keep your lamps  
trimmed and clear

### *Chorus*

*How many times must a man  
heed God's call?  
Before he'll turn away from sin?  
How many times can you reject  
God's Word?  
Before He'll close the door on you  
My friend do you realize God's  
Spirit won't always strive  
God's Spirit won't always strive  
with man*

Through the mouth of a prophet,  
God has spoken once again  
Repent, repent of all your sins  
Be baptized in Jesus' Name  
For His power is still the same  
Just believe the promise given to you

### **Ending:**

God's Spirit won't always strive  
God's Spirit won't always strive  
with man

## 83 The Token

The Lord talked to Moses and  
told him what to say  
To the children of Israel in  
Goshen that day  
Slay the lamb, take the blood,  
strike the post at the door  
For I'll pass through Egypt this night

And smite all the first-born

### *Chorus:*

*Let the death angel pass  
God's bride's safe at last  
In the Token He gave  
That we could be saved  
O Hallelujah! And Glory to God  
The blood's been applied His  
Spirit abides  
Let the death angel pass.*

The sweet Holy Spirit is the Token  
today  
And all that are under it God said  
would be saved  
Outside of this Token the lost  
would be found  
If you want your loved ones  
saved, let's get them in now

## 84 OH GRACIOUS JESUS

### *Chorus:*

*O gracious Jesus make me so small  
In worldly matters make me not  
at all  
But in Thy Spirit make me O so tall  
O gracious Jesus Lord of all*

Hold me so close to Thee and  
show me Thy way  
That I may walk in the light of  
your goodness all of my days  
Forgive me of sin, my Lord, have  
mercy on me  
Thank you Lord, that's not my sin,  
but my heart that you see

So oft in my loneliness when I  
cried out to Thee  
You stood in the midst of my heart  
And you warmed me so tenderly  
Now I've known you once again

now I long for that day  
When I shall hear the call of Your  
Voice and you take me away

**Ending:** O Gracious Jesus, Lord of all

## 85 WINGS OF FAITH

*Chorus:*

*Lord help me run in the race  
Help me not bring you disgrace  
But let me rise on the wings of faith  
Until the day I see your face*

Sometimes the way down here  
gets rough  
When I look at Satan's bluff  
It's then I'll rise on the wings of faith  
For in God's Word I am safe

Now we can see the end in sight  
The Coming of The Lord is nigh  
O sinner where would you stand  
when the time down here will end  
But let me rise on the wings of faith  
Until the day I see your face

## 86 PEACE, PEACE, WONDERFUL PEACE

My days were lonely, I needed  
Salvation  
But through blindness I couldn't  
understand  
Then you came along and lifted  
me up  
Set my feet on higher ground

*Chorus:*

*I've got peace, peace, wonderful  
peace*

*Now that Jesus saved my soul  
I've got peace, peace, wonderful  
peace*

*He has given me a Heavenly home*

I was a stranger and in darkness  
was walking  
Until the scales from my eyes He  
did take  
Now I can see, thank God, cause I  
see the Light  
And in darkness I'm walking no more

**Ending:** He has given me a  
Heavenly Home

### CD Folder: Gospel Memories

## 87 JUST A CLOSER WALK WITH THEE

I am weak, but Thou art strong;  
Jesus, keep me from all wrong;  
I'll be satisfied as long  
As I walk, let me walk close to Thee.

*Chorus:*

*Just a closer walk with Thee,  
Grant it, Jesus, is my plea,*

*Daily walking close to Thee,  
Let it be, dear Lord, let it be.*

When my feeble life is o'er,  
And time for me will be no more;  
Guide me gently, safely o'er  
To Thy kingdom shore, to Thy  
shore.

**Ending:** Let it be, dear Lord, let it be

## 88 NEVER GROW OLD

I have heard of a land on the  
faraway strand,  
'Tis a beautiful home of the soul;  
Built by Jesus on high, where we  
never shall die  
'Tis a land where we'll never grow  
old.

*Chorus:*

*Never grow old, never grow old,  
Tis a land where we'll never grow old  
Never grow old, never grow old,  
Tis a land where we'll never grow  
old.*

When our work here is done and  
our life-crown is won,  
And our troubles and trials are o'er;  
All our sorrow will end, and our  
voices will blend,  
With our loved ones who've gone  
on before.

## 89 IT WILL BE WORTH EVERY MILE

Well I've been over mountains  
And I've walked through the valleys  
And when troubles come I've had  
my share  
But Heaven Eternal, at the end of  
my journey  
It will be worth every mile of the trip

*Chorus:*

*Like a happy pilgrim, who's  
arrived on the shore  
And forget how the waves tossed  
his ship  
If I could see Jesus smile hear  
him say well done child  
It'll be worth every mile of the trip*

Well I've stood at the bedside of a  
Christian departing  
And heard these last words from  
his lips  
I see the crystal streams a flowing  
feel the gentle breezes blowing  
And it's worth every mile of the trip

**Ending:** It'll be worth every mile  
of the trip

## 90 AMAZING GRACE

Amazing grace! How sweet the  
sound  
That saved a wretch like me!  
I once was lost, but now I'm found;  
I was blind, but now I see.

'Twas grace that taught my heart  
to fear,  
And grace my fears relieved;  
How precious did that grace appear  
The hour I first believed.

Through many dangers, toils and  
snares,  
I have already come;  
Was grace that brought me safe  
thus far,  
And grace will lead me home.

When we've been there ten  
thousand years,  
Bright shining as the sun,  
We've no less days to sing God's  
praise  
Than when we first begun.

## 91 GLORY, GLORY HALLELUJAH

Once my heart and life were fettered  
By the binding chains of sin  
But the Great Emancipator  
Set me free to worship Him

*Chorus:*

*Glory, glory, hallelujah  
Blessed be His Holy Name  
He's the Great Emancipator  
That's the song of the Redeemed*

Like a lost lamb I was drifting  
O so helpless and alone  
But the seeking Shepherd found me  
Led me to my Father's home

**Ending:** That's the song of the redeemed

## 92 WHEN HE REACHED DOWN HIS HAND FOR ME

Once my soul was astray from  
that heavenly way  
I was wretched and blind as could be  
But my Saviour above, gave me  
peace, joy and love  
When He reached down His hand  
for me

*Chorus:*

*When He reached down His hand  
for me  
When He reached down His hand  
for me  
I was lost and undone, without  
God or His Son  
When He reached down His hand  
for me*

I was nearing despair when He  
came to me there  
And He told me that I could be free  
Then He lifted my feet, gave me  
Glory complete  
When He reached down His hand  
for me

## 93 UNCLOUDY DAY

Oh, they tell me of a home far  
beyond the sky  
Oh they tell me of a home far away  
Oh they tell me of a home where  
no storm clouds rise  
Oh they tell me of an unclouded  
day

*Chorus:*

*Oh, the land of cloudless day  
Oh, the land of an unclouded sky  
Oh, they tell me of a home where  
no storm clouds rise  
Oh, they tell me of an unclouded  
day*

Oh, they tell me of a King in His  
beauty there  
And they tell me that mine eyes  
shall behold  
Where He sits on His throne that  
is whiter than snow  
In that city that is made of gold

Oh they tell me of a home far  
beyond the sky  
Oh they tell me of a home far away  
Where the Tree of Life shall  
forever bloom  
Shedding fragrance to the  
unclouded day

## 94 OH FOR THE LOVE OF GOD

Be there a man who will give his son  
To die upon a cruel tree  
Then be there a man who would  
reach down his hand  
To redeem and watch over me

When at the end you need a friend  
To guide you safely o'er  
There is only one who gave His  
only Son  
And His love it lasts forevermore

*Chorus:*

*O for the love like the one up above  
O for the Love of God  
Searching, praying, longing for  
the Love  
Like the Love of God*

## 95 RESURRECTION MORNING

On that Resurrection morning  
When the dead in Christ shall rise  
We'll have a new body  
Praise the Lord; we'll have a new life  
With the Saints and we shall gather  
Over on the other side  
We'll have a new body  
Praise the Lord we'll have a new life

By and by when the morning comes  
When the Saints of God are  
gathering home  
We will tell the story how we've  
overcome  
And we'll understand it better by  
and by

I wandered so aimless life filled  
with sin  
I wouldn't let my dear Savior in

But then Jesus came like a  
stranger in the night  
Praise the Lord I saw the light

I saw the light, I saw the light  
No more in darkness, no more in  
night  
Now I'm so happy no sorrow in sight  
Praise the Lord I saw the light.

Some glad morning when this life  
is o'er, I'll fly away  
To the home on God's Celestial  
shore, I'll fly away

O I'll fly away, oh glory  
I'll fly away -in the morning  
When I die hallelujah by and by  
I'll fly away

In the sweet by and by  
We shall meet on that beautiful  
shore

I'm on my way to Canaan's land  
I'm on my way  
We'll have a new body, Praise the  
Lord we'll have a New Life.

## 96 WHAT A BEAUTIFUL DAY

*Chorus:*

*What a beautiful day for The Lord  
to come again  
What a beautiful day for Him to  
take His children home  
How I long to see His face and to  
touch  
His nail-scarred Hands  
What a beautiful day for the Lord  
to come again*

(Hymn Continues)

As I wake up with the morning, of  
each day that passes by  
And I listen to the sounds upon  
my ear  
I can't help but keep a watch  
toward the eastern sky  
And I wonder if the trumpet will  
be the next sound that I hear

All my earthly disappointments  
and my trials here below  
Fade away when I remember His  
last words  
He said He'd return and receive  
His children unto Him  
And I'm longing just to look upon  
the Face of my Lord

**Ending:** What a beautiful day for  
the Lord to come again.

## 97 Thank God I'm Free

For a long time I traveled down a  
long lonely road  
My heart was so heavy, in sin I  
sank low  
Then I heard about Jesus, what a  
wonderful hour  
I'm so glad that I found out He  
would bring me out  
Through His saving Power

*Chorus:*  
*Thank God I am free, free, free*  
*From this world of sin*  
*Washed in the blood of Jesus*  
*I've been born again*  
*Hallelujah I'm saved, saved, saved*  
*By His wonderful grace*  
*I'm so glad that I found out*  
*He would bring me out and show*  
*me the way*

Like a bird out of prison, who's  
taken its flight  
Like a blind man that God, gave  
back his sight  
Like the poor wretched beggar  
Who found fortune and fame  
I'm so glad that I found out  
He would bring me out  
Through faith in His Holy Name.

**Ending:** I'm so glad that I found out  
He would bring me out  
And show me the way

## 98 GIVE ME A HEART LIKE THINE

Give me a heart that knows no ill  
Give me the grace to do Thy Will  
Pardon and cleanse this soul of mine  
Lord give me a heart like Thine

*Chorus:*  
*Come to my soul, blessed Jesus*  
*my Lord*  
*Hear me O Savior divine*  
*Open the fountain and cleanse*  
*me Lord*  
*Give me a heart like Thine*

Only a joy, a few short years  
Only a dream, a vale of tears  
Things of this world O Lord I resign  
Lord give me a heart like Thine

**Ending:** Give me a heart like Thine

## 99 THE TOUCH OF THE MASTER

I was at an auction sale sometime ago,  
and what I saw there would chill  
any soul.

There was an auctioneer with  
an old violin in his hand.

"How much can I bid for the old  
violin", he cried, "and who will  
start the bidding for me?"

A dollar, a dollar, and who will  
make it two?

Two dollars, and who will make it  
three?

Three dollars once, three dollars  
twice, going for three."

But no, from the room far back  
an old grey-haired man stepped  
forward.

He took the old violin and wiped  
away some of the dust,  
tightened up the bow, then  
tightening some of the loose  
strings, he played a melody pure  
and sweet, as sweet as an angel  
sings.

Then he gave the old violin back  
to the auctioneer and he held it  
up with the bow.

"How much you may bid for the  
old violin?"

A thousand dollars and who'll  
make it two?

Two thousand and who'll make it three?

Three thousand once, three  
thousand twice,

Going, going" said he.

The people cheered and some of  
them cried out:

we do not understand what  
changed its worth.

The old man just smiled, then he  
replied: "Was the touch of the  
Master's hand"

You know many a man with life  
out of tune,  
he's battered and scarred with sin.  
He's auctioned cheap to a  
thoughtless crowd;  
much like the old violin.  
He's gone once, going twice,  
going and almost gone,  
but then the Master comes, wipes  
away all sin.

And the thoughtless crowd,  
well they never quite understand  
the worth of a soul and a change  
that's wrought  
BY THE TOUCH OF THE  
MASTER'S HAND.

## 100 I DON'T WANT TO MISS IT

One day my work will be over  
And my labour for Him will be  
through  
Then I'll climb yonder hilltop to  
meet Him  
And I don't want to miss it, do you?

*Chorus:*

*No I wouldn't miss it for nothing  
No matter what I have to go through  
Someday I'll lay down life's burdens  
For I don't want to miss it, do you?*

Sometimes I'll tire of my journey  
And I can't seem to find Him  
that's true  
But I know that He's waiting up yonder  
And I don't want to miss it, do you?

## 101 BRAND-NEW HOME

If you're caught by this world and  
all its beauty  
And its stately mansions daily you  
may see  
But without great wealth I know  
I'll never own one  
And you will neither if you're no  
more rich than me

But if your soul will look beyond  
what man is doing  
You can see what earthly mortals  
cannot see  
Far on the other side of Jordan  
there's a structure  
Of a mansion being built just for me

My new home will not sit upon  
foundations  
That are man-made and will  
someday pass away  
It won't be built where the storms  
of life can batter  
And where the rain clouds often  
hide the light of day

Over there the promise Son God  
is my foundation  
The root of David Christ the Lord  
my coming King  
Oh what a welcome and home-  
coming that awaits me  
And I'm expecting any day to  
move right in

And when you see my brand-  
new home  
When you see its beauty rare  
nothing down here can compare  
Just wait till you see my brand  
new home

My Heavenly Father's building me  
and I'm going to occupy for free  
Just wait until you see my brand-  
new home

## 102 HEAVEN'S BRIGHT SHORE

Out on the hills of glory land  
So happy and free at God's right hand  
They tell of a place of marvelous grace  
On Heaven's bright shore  
Pilgrims on earth someday will go  
To live in that home forever more  
Trusting in Him who died for sin  
And rose from the grave

*Chorus:*

*On heaven's bright shore (on  
heaven's bright shore)  
There'll be no more dying  
Not one little grave (not one little  
grave)  
In all that fair land (that wonderful  
land)  
Not even a tear will dim the eye  
No loved one up there will say  
goodbye  
Just singing His praise through  
the endless days  
On Heaven's bright shore (on  
heaven's bright shore)*

When I must cross that rolling tide  
Someone will be there on that side  
To welcome my soul to that fair  
land, made perfect by love  
When I walk up that milky white way  
I'll see that home-coming in parade  
How great it must be for angels  
to see  
As pilgrims rejoice

**Ending:** Just singing His praise  
through the endless days  
On Heaven's bright shore

## 103 CRYING TRAVAILING

So often I find myself slipping  
In little things you may think it  
doesn't matter  
But when I come into His Holy  
Presence  
His Life reveals my life and shows  
me where I'm wrong

*Chorus:*  
*Crying travailing, O Lord hear our  
prayer*  
*Crying travailing, O Lord come  
take us Home*

O this life on earth is only a shadow  
And the Bride of Christ is longing  
for the morning  
When the King of Kings is coming  
in Power  
To see face to face His Glory we'll  
behold

## 104 THE GOSPEL SHIP

I have good news to bring and  
that is why I sing  
All of my joys with you I'll share  
I'm gonna take a trip in the old  
gospel ship  
And go sailing through the air

*Chorus*  
*I'm gonna take a trip*  
*In the old gospel ship*  
*I'm going far beyond the sky*  
*Well I'm gonna shout and sing*  
*Until the Heavens ring*  
*While I'm bidding this world  
goodbye*

Now if you're ashamed of me,  
you have no cause to be  
For with Christ I am an heir and  
through this fault you find  
Your gonna be left behind  
As I go sailing through the air

Oh I can hardly wait; I know I'll  
not be late  
I'm gonna spend all of my time in  
prayer  
When that ship comes in, I'll leave  
this world of sin  
And go sailing through the air

**Ending:** While I'm bidding this  
world goodbye

## 105 OH WHAT A FRIEND

Oh what a friend who walks  
beside me  
To hold my hand and safely guide  
me  
Safe in His arms, He'll always hide  
me  
Oh what a friend He is to me

He knows the way my road is  
wending  
He can see around my pathway's  
bending  
He'll take me through when day  
is ending  
Oh what a friend He is to me

**Ending:** Oh what a friend He is to  
me

## 106 I SAW THE MAN

I often wondered who could be  
so cruel  
To hang my Lord upon a rugged tree  
Then I chanced to pass an old  
looking glass  
There I saw the man staring back  
at me.

*Chorus:*

*I saw the eyes that turned aside  
I saw the lips that sadly whispered  
"crucify"  
I saw the feet that walked in sin  
I saw the hands that drove the  
nails in Him  
I saw the man that crucified the Lord*

Let me ask you a question now  
Have you ever wondered about  
the sacrifice He made  
And all the pain and the suffering  
He went through  
And if you should chance to pass  
an old looking glass  
Won't that be some reflection on  
you?

You'll see the eyes that turned aside  
You'll see the lips that sadly  
whispered "crucify"  
You'll see the feet, that walked in sin  
You'll see the hands that drove  
the nails in Him  
You'll see the man that crucified  
The Lord  
I was that man that crucified the  
Lord

## 107 I HAVE A LONGING

When I think of all the blessings  
Christ has given  
How he saved my soul and took  
my sins away  
I have a longing in my heart to be  
with Jesus  
And I know the time can't be too  
far away

*Chorus:*

*I have a longing in my heart to  
see the Lord  
I have a longing in my heart for  
His return  
Too much troubles here to bear  
Too much worry, too much care  
I have a longing in my heart to  
see the Lord*

Many times my burdens seem so  
hard to carry  
Many times I have to smile to  
hide my tears  
But in heaven there won't be no  
cross to carry  
There will be no sorrow through  
the countless years

**Ending:**

Too much troubles here to bear  
Too much worry, too much care  
I have a longing in my heart to  
see the Lord

## 108 I BELIEVE HE DIED

I never saw the cross He carried  
on Calvary's hill  
I never saw the precious blood my  
Saviour spilled, no  
And I never saw the mob that cried  
Let Him be crucified  
No I never saw it, but I believe for  
me He died

I never saw the many burdens  
that my Saviour bore  
I never saw the crown of thorns  
that my Jesus wore  
No and I didn't see the lonely hill  
Where He was crucified  
No I never saw it, but I believe He  
died

*Chorus:*  
*Every step He took to Calvary*  
*Every drop of blood He shed, He*  
*shed for me*  
*There's a lot of things I cannot see,*  
*But I believe, when He died, He*  
*died for me*

## 109 READY TO LEAVE

Some folks are building hopes  
down here  
And planning ahead  
So busy with their fortune they  
forgot what Jesus said  
About the wars and earthquakes  
and the fig trees budding leaves  
But there's a group of people  
getting ready to leave

*Chorus:*  
*Ready to leave in the twinkling of*  
*an eye*  
*(Chorus Continues)*

*Making investments in the bank*  
*up in the sky*  
*I've made preparation not a*  
*reason to grieve*  
*Are you in that number getting*  
*ready to leave?*

Sinner what's the reason for your  
needless delay  
While you're hesitating Christ  
could come just any day  
Heed the Spirit calling make your  
way to Calvary  
And get in that number getting  
ready to leave

**Ending:** Are you in that number  
getting ready to leave

## 110 CRUCIFIED ONE

Lord where would I be if you had  
not gone  
Up the lonely hill to dark Calvary  
What is man that a King would  
leave His Glory above?  
And suffer in deep agony

*Chorus:*  
*I owe my whole life to the*  
*Crucified One*  
*Who gave His all for me*  
*With all that's in me*  
*I will praise His Holy Name*  
*Praise God for the Crucified One*

He walked that lonely hill with me  
in mind  
I was wretched, naked and blind  
My load was so great only one  
could pay  
Thank God for the Crucified One

**Ending :** I owe my whole life to  
the crucified One  
Yes, Jesus is the crucified One
